You will be notified of what class(es) you get to help out with before classes begin.  
Students will be selected for this program based on their age and experience and the number of classes that  
require a class demonstrator. Dancers need to be at least 13 years old to assist in classes.  
There is no guarantee of participation.

There will be a mandatory meeting for all class demonstrators to attend on **Wednesday September 6<sup>th</sup> at 6:30.**

This is a great opportunity for all dancers to help younger students become better dancers and to learn a little  
bit about teaching. You are also setting an example for younger children. You must come to classes dressed  
appropriately and have a good, helpful, positive attitude to participate in this program.

*Thanks for your interest!*
