# DANCE Duman

## DRESS REHEARSALS – Monday, May 28<sup>th</sup> – Thursday, May 31<sup>st</sup> – ON STAGE

Each class gets a chance to rehearse on stage at Sentry Theater @1800 before the performances. Come dressed in full costumes, hair & makeup – the same as they will be for the show. Due to limited time, each class has a very specific time slot that is shorter than their regular class times. Please come early and be ready for your rehearsal time. These rehearsals are **VERY IMPORTANT**. The entire class needs to be at the dress rehearsals to be prepared for a good quality show. *(No classes at the studio this week.)*

**HAIR, MAKE-UP, ETC.** – The slips that came with your costume state the appropriate tights color, shoes and hair style for each piece. If you have any questions about this or cannot find yours, ask your instructor. It is also important that everyone wears make-up. The bright stage lights wash out facial features. Please have your dancer wear some lipstick, blush and eyeliner or mascara at a minimum. Everyone is responsible for their own make-up. Look at your dancer at dress rehearsal to see if the make-up looks good. Please do not wear any jewelry onstage unless instructed by your teacher.

**PICTURES & VIDEO** – Class and individual pictures will be taken by Baird Digital Photography and can be ordered at that time or online. Individual pictures can be taken before or after your dress rehearsal. Class pictures will be taken during the dress rehearsal time on stage. Videos will be taken at the performances by Sara's Custom Video and can be ordered during the stage rehearsal week.

**DRESSING ROOMS** – There are three dressing rooms behind the stage for the older dancers and two conferences rooms that we will use as dressing room out in the hallway. There will be signs at each dressing room stating which room to use.

# *Showtime!!*      Friday June 1<sup>st</sup> at 7:00, Saturday June 2<sup>nd</sup> at 1:00 & 6:00, and Sunday June 3<sup>rd</sup> at 1:00 & 6:00

Performing is a very exciting and exhilarating experience for all of our students. There was a note previously for which classes are in which shows. Make sure you know when your child is performing. Here are a couple things to keep in mind during the show:

---

**PARENT VOLUNTEERS** – There is some need for parent volunteers at the shows. We will need people to usher, sell tickets, sit in the dancers' section, monitor dressing rooms, etc. If you are interested, there will be sign-up sheets at the stage rehearsals. Parent support is greatly appreciated!

**ARRIVING FOR THE SHOW** – There is no formal check-in or required time to be at the show. However, if you are in the beginning of the show it is good to be there at least a half hour before the performance. Ushers will need to be at the theater doors 45 minutes before the performance.

**COVER-UPS** – We ask that dancers wear something over their costumes to cover them up until they perform (a large shirt or bathrobe). This protects the costumes and then the costuming is a surprise when it appears on stage!

**WARM-UP** – There will be a warm-up before the Friday show and both afternoon shows. It is highly recommended for the pre-teen, intermediate and advanced teen dancers. It will start about an hour before the show and get done about 30 minutes before the show so dancers have time to do get ready.

**SEATING FOR DANCERS** – There will be a dancers' section for older students at the back of the theater. It is meant for dancers mature enough to sit on their own without parents and watch the show between their pieces. Younger dancers are welcome to sit with their families for free with a ticket.

**TIME TO GO BACKSTAGE!** – Everyone performing needs to be backstage **3 dances before** they are on stage. Teachers will come out into the lobby area to gather classes of the youngest children and also bring them back to the lobby when they are done performing. Classes will gather in the hallway behind the stage until everyone is there and then go backstage into the wings during the piece before theirs. All movement in and out of the audience needs to happen during applause so there is not disruption while students are performing.

**QUICK COSTUME CHANGES** – The goal is to give everyone three or more dances to change. If for some reason you have less time to change, the stage crew will be aware of it and can help if needed. Show order will be posted at the studio in advance for you to see.

**FLOWERS** – Premier Petals will be selling flowers at the performances again this year. So it will be very convenient for you to purchase flowers for your dancer at the show if you would like.

**RESPECT THE THEATER** – We are very privileged to be rehearsing and performing in such a wonderful theater. Please keep the following guidelines in mind while we are there:

- The halls outside the theater are freshly remodeled and painted white. Please watch your children!
- No Food or Drink in the theater or dressing rooms besides water. There will be a designated area to eat.
- No Running around in Lobby or Theater.
- Clean up after yourself at the end of each night. Costumes must be taken home each night Mon-Fri. We also need to make sure the dressing rooms are cleaned up at the end of each night.
- No writing with lipstick on the mirrors.
- Please stay in the theater, dressing rooms and lobby.

*Don't forget costume pieces, tights, shoes, hairspray, bobby pins, safety pins, make-up and a smile!!*

Recital handouts and schedules are also posted online so you can check information from your computer too!
